We take very seriously the responsibility of providing you with the best education possible within a godly atmosphere. “Train up a child in the way he should go: and when he is old, he will not depart from it.” Proverbs 22:6

Valor Christian Academy is an Independent Christian School that has been established to provide parents/guardians a place where godly educators and staff can guide students to achieve high academic excellence. Our desire is that all our students attend a school where they are loved and cared for and where godly goals are paramount in the development of each student. We want students to be grounded in the Word of God and be prepared for eternity so that they may go out in the world and prove what is holy and acceptable unto God.

The information in this handbook outlines enrollment, policies and procedures, and general information for VCA students, parents/guardians. We look forward to a great school year, as well as, watching your student grow in God’s Will for their life.

“Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth.” 2 Timothy 2:15

VALOR CHRISTIAN ACADEMY GENERAL INFORMATION**Classroom Conduct**

All rules must be observed in every classroom, regardless of who the teacher or volunteer may be. There will be no talking or leaving your seats without permission. "Yes ma'am," "No ma'am," "Yes sir," "No sir," is the chosen and expected method of addressing all adults. Respect, courtesy, kindness, and good manners are always to be practiced toward both students and school staff. Prompt and cheerful obedience is expected.

Activities

A consent and release section are included on the registration form. Signing the registration form gives VCA permission for your child to participate in all activities/field trips. Information will be sent home with your child in advance for any planned event. Students who do not attend a school activity will be counted absent unless they have an approved excuse.

The school rules apply to behavior and dress code on all field trips. Unless otherwise notified, school uniforms must be worn for all school activities. These activities are arranged for the school and cannot include friends or family unless prior approval has been given.

Closed Campus Policy

Students may not leave the school grounds during school hours unless their absence falls under the attendance policy. Visitors are not permitted during school hours, except by permission of the administration. Visitors should check in at the front entrance of the school.

Emergency Information

It is important that VCA be kept informed of the parent's/guardian's current address, phone number, place of employment, and employer phone number for emergency purposes. If there is any change during the year, please let us know immediately. Unlisted phone numbers will be kept confidential.

Fundraising

All fundraising activities for class, projects, or the school must be approved in advance by the school administration. This includes brochures, flyers, or letters used in fundraising activities.

Telephone Use

Students are not allowed to bring cell phones to school, unless the student is a licensed driver that provides their own transportation to and from school. Those student drivers will be required to turn their cell phones over to the front desk upon arrival to school until they are dismissed for the day. Any calls that students need to make must be made from the school phone or their teachers' phone. This will include all school events.

It is impossible to ensure the appropriateness of the internet. For this reason, students will not have access to cell phones or any electronic device that has internet capability while at school, including field trips and sporting events whether home or away, or any other school sponsored event. For the safety of our students and staff, random bag checks may occur if VCA administration or staff believe a student is in possession of a cell phone. In the event a student is identified as having an unapproved cell phone, disciplinary action may be taken up to and including suspension.

Items Not Allowed At School

The following items are not allowed to be brought to school or taken on field trips, sporting events, fundraisers, etc. by students: cell phones, iPods, iPads, MP3 players or any other handheld, electronic gaming/internet devices, martial arts equipment, teen/dating/video magazines, dating/romance novels, clothing catalogs, Pokémon cards, Harry Potter cards, other anime type cards, laser pointers, guns, or any weapons "real or toy". This, however, is not an exhaustive list. If you have questions regarding an item you wish to bring to school or taken on a field trip, please see your teacher or the administration.

Music, Movies, Magazines, Books and Art

VCA does not allow music, movies, magazines, books, or artwork, which does not glorify God onto the school property (this includes, but is not limited to, field trips, sporting events, fundraisers, etc.). The content of such music, movies, and artwork very rarely, if ever, reinforces the kind of godly character we are seeking to develop in our students.

PHYSICAL INTERACTIONS

Appropriate physical & verbal contact at Valor Christian Academy between students is taught and expected. We expect that as the students mature their behavior will also mature toward each other. Therefore, for clarity we expect a gradual learning of appropriateness, and by the time students are in grades 7th-12th that they have mastered the understanding of appropriate physical contact.

Appropriate and inappropriate interactions include **but are not limited to** the following:

Appropriate	Inappropriate
<ul style="list-style-type: none">• Side hugs (Same gender)• Handshakes• High-fives and hand slapping• Fist Bumps	<ul style="list-style-type: none">• Full-frontal hugs or kisses• Prolonged hugs of any kind• Showing affection in isolated area• Lap sitting• Wrestling or piggyback/shoulder rides• Tickling• Handholding

Social and Digital Media Code of Conduct

In attempt to preserve the integrity and appropriateness of Valor Christian Academy, a Social and Digital Media Code of Conduct has been created. Those seeking affiliation with Valor Christian Academy will be required to follow those guidelines. Every parent/guardian and student must sign the social media and digital media code of conduct to be enrolled at Valor Christian Academy. All social media platforms utilized by VCA students, parents/guardians, and staff must align with the requirements and values of Valor Christian Academy. This includes Facebook, Instagram, and Snapchat accounts. With that being said, students may not have TikTok accounts or utilize that platform in any way. If students are caught with a TikTok account, they will be expelled.

Dating Policy

*VCA understands that a growing interest between young men and young ladies is a natural part of life. While VCA administration will be providing biblical guidance as it relates to dating through our Men in the Den, Tigers at Home, and chapel programs, dating amongst students is not permitted at VCA. **VCA administration and our advisory board reserve the right to be the final authority on any issues that may conflict with the dating policy.***

Calendar

*VCA **generally** follows the Daviess County Schools calendar. We will make that information available to you as soon as possible.*

Weather Related School Closings

In the case of inclement weather or other calamity, which would necessitate the closing of VCA, students and parents/guardians should listen to local television stations, i.e., 14 WFIE, 25 WEHT, and our school website for information on closings and delays. Generally, if Daviess County Schools are closed, then we will be closed. If there are delays, we will likely start at the regular time. If parents/guardians are concerned about road conditions, they are welcome to bring their children in on a delay and/or pick them up early.

Snacks and Lunch

Students may bring their lunch to school each day, or they may order their lunch on set days through the school. Students are not permitted to bring energy drinks, nor will VCA sell them, during school hours. All lunch information and pricing will be provided during registration/orientation.

Recess

All students (K-4 through 12th grade) will have a 15-minute morning break, a 30-minute lunch break, and a 15-minute afternoon break daily. All times for breaks and lunches will be provided during registration/orientation.

PARENT/GUARDIAN - TEACHER COMMUNICATION

The success of VCA will be due largely to the dedicated efforts of the teachers and parents/guardians. The school desires that teachers and parents/guardians communicate on a regular basis regarding academics as effective communication is the most important link in addressing and solving issues. Parents/guardians are encouraged to email their student(s) teacher(s) with questions and concerns as needed.

Conferences

Either the parent/guardian or the teacher may request a conference. Their purpose may be to solve a problem or simply to let the parent/guardian become acquainted with classroom procedures and to receive an update on the student's progress. If you desire a conference, please contact the teacher or the office to schedule an appointment. Conferences may also be requested with the school administrator if the situation warrants.

Report Cards

Report Cards will be issued every nine weeks during the school year. Both parents/guardians will be asked to sign the Report Card and return it to the teacher the following day.

ATTENDANCE POLICY

Regular attendance is essential to successful class work. All students must attend school every day unless an absence is unavoidable. When a student is absent, a note explaining the reason for the absence must be sent to the teacher on the day the student returns to school. If the absence is foreseeable, a note should be sent in advance. Doctor, dental, and other appointments should be scheduled around school hours. Students must be sent at least six (6) hours to be considered present at school. Students are expected to participate in all special school sponsored events until the school year is complete. This especially pertains to graduates until after the graduation ceremony, to ensure proper letter grade.

Absences due to the following will be considered excused absences:

- *Illness*
 - *Death in the immediate family*
 - *Absences approved in advance by the school administration.*
1. *It is the student's responsibility to check with the teacher concerning make-up work.*
 2. *No student may be absent more than four (4) unexcused days per school semester. Accumulation of eight (8) unexcused absences in a school year will result in loss of credit for all courses.*
 3. *If the student has had an extended illness, the administration will review the case. Students should remain home for 24 hours if they have a fever or a potentially contagious illness. Please refer to the health information section for more information on potentially contagious illnesses.*
 4. *No student will be allowed to take part in extracurricular activities if he or she is absent from classes that day unless previously excused by the administration. Students habitually unable to attend school on the day following activities will be dropped from such activities.*

Tardiness

Tardiness is extremely disruptive to the operation of the school. Students are expected to make every effort to be at school and class on time. When a student is tardy to school, he/she must be signed in by the parent/guardian explaining the reason for the tardy.

Students will be allowed three (3) excused tardies per quarter. Students are considered tardy if they are not in class by 8:00 a.m. An accumulation of four (4) tardies in any quarter will be counted as one (1) absence.

School Hours

School hours for K-4 and kindergarten will be from 8:00 a.m. until 12:00 p.m. Monday through Friday. After-school care will be available Monday through Friday for all K-4 and kindergarten students from 12:00 p.m. to 3:00 p.m. Fees for this program will be discussed during registration and orientation.

School hours for 1st grade through 12th grade will be from 8:00 a.m. until 3:00 p.m. Monday through Friday.

GENERAL HEALTH GUIDELINES

Medication Policy

All prescription medications must come in their original container with the child's name, pharmacy, physician, medication, and directions for use clearly visible on the label. All medications will be kept in the school office (or refrigerator if needed) and will be administered by the students' teacher or office personnel. The school will provide a prescription medication form that must be completed by the parent/guardian and will be kept on file in the school office. The one exception pertains to asthma medications. Please contact the school office for the procedures that must be followed in the case of a student with active asthma.

All over-the-counter medications such as, but not limited to, cough syrup and cough drops, antacids, allergy relief, sinus headache medicines, etc. will be kept in the school office and will be administered with a written note from the parent(s)/guardian(s), which shall include the dosage information. Cough drops may be used in the classroom if they are necessary. A record will be kept of all medications dispensed from the office.

Health Information

All students are required to have a birth certificate and certificate of immunization copied on file at VCA.

All students enrolling for the first time in K-4 or kindergarten and above must also submit a physical examination form. The physical exam must be within twelve (12) months prior to registration to VCA. Established students entering the sixth (6th) grade must have a second physical examination.

All forms must be on file with VCA prior to the beginning of the current school year. Students may not begin the fall term without the necessary forms on file. This is required by the Kentucky State Department of Health and is not optional. VCA requests that any student with a contagious condition, or a student who has been exposed to a contagious condition, such as stomach virus, strep, chicken pox, pink eye (conjunctivitis), lice, etc., remain at home until all possibility of contagion is past.

Illegal Drugs

The possession, sale, or use of illegal drugs is strictly prohibited. This includes, but not limited to alcohol, tobacco, or any type of inhalant, including any vaping items. Violation of this policy will result in immediate expulsion. Any student requiring prescription medicine must have the approved form on file in the office; the medicine will be kept in the school office. Please refer to the medication policy for more information.

DRESS CODE

VCA will have a uniform dress code for all grades. We believe that both our young men and young ladies should dress modestly, set by our high standards as a Christian school. A student will receive demerits for violation of any of the following dress codes and be asked to immediately correct the issue. The dress code is always in effect on school property and at any school activity including all sport functions whether the activity is on the school property, and whether it is during school hours.

Boys' Dress Code

*All boys, K-4 through 12th grade, will be required to wear a polo shirt with tan, navy, black, or gray dress pants or shorts (to the knee). Belts must be plain with no wording except for approved logos (i.e., Under Armour, Nike). When the school is participating at an event, an oxford shirt and tie may be required depending on the event. Please visit Artwear Express at <https://artwearexpress.com/product-category/existing-customers/valor-christian/valor-uniforms/> or by phone at 270-685-4007.

General Dress Code Information

When class is in session the VCA uniform top shall not be covered with any apparel other than the approved VCA uniform sweatshirts offered through Artwear Express via the website listed above. During school hours, students will not be permitted to cover their uniform tops with anything other than the approved VCA uniform sweatshirt. Students may not cover their uniform top with Tiger Gear. Long sleeved or short sleeved t-shirts may be worn under the polo shirts.

*There will be dress code standards for physical education classes, sporting events and all extracurricular activities. Clothing worn on assigned “dress down” days may not advertise or promote alcohol, tobacco, worldly music singers or channels (MTV, VH1, etc.) wrestling, movie stars, other primary and secondary schools, or any other questionable items. Shirts and sweatshirts that promote colleges are allowed. Articles of clothing may not imitate styles worn by gangs. It is considered immodest to wear clothing that is revealing or tight fitting, for this reason we ask that you allow enough ease so that the clothing is not tight. Also, undergarments are not to be seen. The administration reserves the right to be the final authority on clothing, fashions, or hairstyles that it considers inappropriate for the occasion. **Any dress code infraction will necessitate a call to the parent/guardian, the student changing clothes to correct the infraction, and additional disciplinary action as deemed necessary by the administration.***

Personal Hygiene

It is the responsibility of the parent/guardian to make certain your student arrives at school each day properly groomed, wearing a clean fresh uniform, maintaining personal hygiene throughout the day. The appropriate attention to these needs should be given by applying deodorant before and after physical education class.

DISCIPLINARY GUIDELINES

VCA’s purpose is to have excellent academic instruction and character development; two of the many reasons we proudly call ourselves a “Christian” school, not just a “Private” school. Our rules are not complicated; they are designed to facilitate the learning process, to aid in developing godly character, and to honor the Lord. In the interest of what VCA was truly created for, we will not accept students whose parents/guardians refuse to sign the registration form indicating your support of our policies and procedures as stated in the handbook.

It would be impossible to detail every offense for which we might discipline a student. However, action(s) which evidences disrespect, lack of courtesy, general disturbance, abuse of permission, incomplete homework, the perception of, or disregard of the policies and procedures outlined in the handbook, and other such misdemeanors will be handled with demerits by the teacher in such ways as he/she considers best for the student.

Demerits

The following demerit system has been designed to give the student/parents/guardians an objective picture of the student’s general behavior. Students may serve their detention time.

Detention will be served during breaks, at the end of the school day or the next school day. This may require the student to stay after school hours.

3 demerits per day - 15-minute detention

4 demerits per day - 30-minute detention

7 demerits or more within the same week – 30-minute detention the following Monday.

If any student receives 7 demerits or more in the same week, it will result in a meeting with teacher/student/parent/guardian.

Any student accumulating 6 demerits or more in the same day will be automatically suspended the next school day.

Suspension

Recurrent behavior problems such as continued cheating, disrespect toward authority, fighting or blatant disregard for the policies of VCA may require a phone call to parents/guardians, a note home to the parents/guardians, being removed from the classroom, parent/guardian teacher conference(s), parent/guardian administration conference(s), and/or finally a suspension of one (1) to three (3) days may be applied. As a result of suspension, the student may receive a loss of one letter grade for all subjects for that semester. All schoolwork must be made up for missed days before returning to school.

Dismissal

If other forms of discipline have not brought about the desired results and after all other possibilities have been exhausted, including board member advisement, dismissal may be implemented. A student who has been dismissed from VCA may lose credit for the current semester and may not return to VCA for the remainder of school year. Students may return to VCA the following school year only after requesting and receiving the permission of the school administration.

- 1. Conduct probation may be awarded as an interim step to removal as considered appropriate by the administration while behavior problems are deliberated.*
- 2. A suspended or dismissed student, regardless of the reason for the disciplinary action, is not allowed on campus during school hours. He/she may not attend any school sponsored activity during their dismissal period.*

3. We welcome all questions that may arise as we strive to maintain transparency in our communications with the student body and parents/guardians. Our goal in being transparent allows us to promote and nurture the best possible relationship between the parents/guardians and the school.

Dual Enrollment

Dual enrollment is approved for qualified juniors and seniors on a case-by-case basis. In addition to VCA being notified of a student's dual enrollment, administration must also be provided with a copy of the student's college schedule. As we encourage the continued development of our juniors and seniors, students who are dual enrolled will be given approval to attend half day classes at VCA. However, they may only do so on days in which they have a college class scheduled. The student must attend VCA for the full day in which they do not have college classes scheduled.

Social and Digital Media Code of Conduct

Adopted by Valor Christian Academy on 4/28/17.

Social media can be defined in many ways. It includes but is not limited to social networking sites (Facebook, Google, Snapchat, etc.), video and photo sharing sites (Flickr, YouTube, TikTok), micro- blogging sites (Twitter), personal blogs (Blogger, WordPress), local area websites, forums or discussion boards, online encyclopedias (Wikipedia), text messages, and emails. Because of the blur between personal and professional communications, this Code of Conduct helps explain what is recommended and expected. This Code of Conduct applies to all Valor Christian Academy (hereinafter referred to as “Valor Christian Academy”, “the school” or “VCA”), students (hereinafter referred to as “you”, “your”, and “I”).

1. Remember all internet postings are permanent, able to be duplicated, and may go viral. While you have the right to express yourself, it does not mean you are excluded from the consequences of your communication. Do not try to change things after the fact. Think twice, type once. In many cases, do not type at all.
2. Use common sense. If you wonder whether to communicate or post, do not do it until you consult with Valor Christian Academy leadership.
3. For your protection and the protection of Valor Christian Academy, you are prohibited from using internal or external social media channels to discuss confidential items, legal matters, litigation, or the organization's financial performance. Confidential information includes anything labeled as such or information not available to the public. When asked by others to discuss any of these matters, you should relay, "Our social media policy only allows authorized individuals to discuss these types of matters. I can refer you to an authorized individual if you'd like to ask them," and then refer the question to the principal/administrator.
4. Be open and honest about whom you are when you communicate. Valor Christian Academy trusts and expects you to exercise personal responsibility whenever you use social media, which includes respecting the trust of those with whom you are engaging. However, these policies are not meant to interfere with your legal rights to bargain collectively or engage in concerted or protected activities.
5. Respect your privacy, your fellow students' privacy, and the school's privacy by not providing personal or confidential information without permission. Also, students are prohibited from sharing anything via social media channels that could violate other students' rights to personal privacy.

6. Only those officially designated may use social media to speak on behalf of the school in an official capacity, though you may use social media to speak for yourself individually. When designated persons use social media to communicate on behalf of the school, they should clearly identify themselves as an employee/volunteer.
7. If you are a Valor Christian Academy faculty member and communicating with students of VCA through any digital or social media, act as you would if you were communicating in person. Specifically, communicate with students of VCA using transparency and in a group, or do not communicate at all. If it is necessary to send an individual message outside of a public area to a student, copy another adult or the parent/guardian of the student. Do not initiate a one-on-one relationship (such as friending from a personal profile) with a student. A student is anyone 18 years and younger who is currently enrolled in the school.
8. Do not violate copyright and fair use laws and do not plagiarize another's work. Obtain permission if you wish to use material created by someone else.
9. Do not use Valor Christian Academy's email address or social media channels for personal use.
10. Students may not have or utilize the video and photo sharing platform TikTok. Students who continue to utilize this platform will be expelled from Valor Christian Academy.
11. Harassment, threats, intimidation, ethnic slurs, personal insults, pornography, obscenity, racial or religious intolerance, abuse, and any other form of behavior prohibited by law is also prohibited via social media channels. Do not engage in any such behavior and do not make or comment on any such behavior, comments, or remarks.
12. If you are not officially authorized to speak on behalf of Valor Christian Academy, yet desire to voice an opinion regarding a matter involving VCA, use a disclaimer saying that what you communicate is your opinion and not that of the school when engaging in conversation on Valor Christian Academy's social media channels. Two sample social media disclaimers include:
 - (1) "I am a student of Valor Christian Academy, and this is my opinion." and
 - (2) "I am not an official spokesperson, but my opinion is. . ." This requirement is not meant to interfere with your rights to bargain collectively or engage in concerted or protected activities but rather to ensure that others can easily distinguish the official position of the school or the school's leadership from those of our students.
13. Users should use their best judgment when engaging in social media activities and should be on guard against actions and discussions that could harm the interests of our community, faith, or other persons. Respect individuals and communities in which you interact, even if their opinions are different than your own. VCA students should conduct themselves online in a way that honors the Lord and maintains a clear Christian witness. Christ has called us to be "salt and light" to the world.

At the same time, prayerfully consider whom you associate with online. By accepting someone as a “friend” and associating with them, you allow everyone you are friends with online to see their activity. Social networks are a great way to minister to people, but carefully, prayerfully weighing the risks is highly recommended.

14. Before posting photographs of any person, obtain his/her permission. Do not “tag” students to photos on social media sites and never include the individual’s names. Do not post photos that could even remotely be misconstrued. The context of a photo cannot always be communicated. The appearance of misconduct or questionable character is just a few clicks away.
15. If you see a violation of this Code of Conduct by a student or any individual associated with Valor Christian Academy, report it to the principal/administrator. If you have questions about the Code of Conduct, please contact the principal/administrator.
16. All of Valor Christian Academy’s other policies apply to the use of digital and social media. All communication by students should consider the organization's values, reputation, and policies.
17. Any violations of Valor Christian Academy's Social and Digital Media Code of Conduct may result in disciplinary action, including expulsion. If necessary, violations may be turned over to the authorities with the possibility of prosecution.

I have received a copy of Valor Christian Academy’s Social and Digital Media Code of Conduct. I understand it is my responsibility to become familiar with and adhere to the information contained herein.

Social and Digital Media Code of Conduct

Adopted by Valor Christian Academy on 4/28/17.

Social media can be defined in many ways. It includes but is not limited to social networking sites (Facebook, Google, Snapchat, etc.), video and photo sharing sites (Flickr, YouTube, TikTok), micro- blogging sites (Twitter), personal blogs (Blogger, WordPress), local area websites, forums or discussion boards, online encyclopedias (Wikipedia), text messages, and emails. Because of the blur between personal and professional communications, this Code of Conduct helps explain what is recommended and expected. This Code of Conduct applies to all Valor Christian Academy (hereinafter referred to as “Valor Christian Academy”, “the school” or “VCA”), students (hereinafter referred to as “you”, “your”, and “I”).

1. Remember all internet postings are permanent, able to be duplicated, and may go viral. While you have the right to express yourself, it does not mean you are excluded from the consequences of your communication. Do not try to change things after the fact. Think twice, type once. In many cases, do not type at all.
2. Use common sense. If you wonder whether to communicate or post, do not do it until you consult with Valor Christian Academy leadership.
3. For your protection and the protection of Valor Christian Academy, you are prohibited from using internal or external social media channels to discuss confidential items, legal matters, litigation, or the organization's financial performance. Confidential information includes anything labeled as such or information not available to the public. When asked by others to discuss any of these matters, you should relay, "Our social media policy only allows authorized individuals to discuss these types of matters. I can refer you to an authorized individual if you'd like to ask them," and then refer the question to the principal/administrator.
4. Be open and honest about whom you are when you communicate. Valor Christian Academy trusts and expects you to exercise personal responsibility whenever you use social media, which includes respecting the trust of those with whom you are engaging. However, these policies are not meant to interfere with your legal rights to bargain collectively or engage in concerted or protected activities.
5. Respect your privacy, your fellow students' privacy, and the school's privacy by not providing personal or confidential information without permission. Also, students are prohibited from sharing anything via social media channels that could violate other students' rights to personal privacy.

6. Only those officially designated may use social media to speak on behalf of the school in an official capacity, though you may use social media to speak for yourself individually. When designated persons use social media to communicate on behalf of the school, they should clearly identify themselves as an employee/volunteer.
